Dear Sir,

Sub: APPRECIATION LETTER - Workshop - Reg.

It seems that everyone I talk to wants me to express appreciation for your inspiring **2-Day National Workshop on "NBA Documents Preparation"** from 9th to 10th December 2019. Most of us were unaware of NBA and your ability to present the subject in such an interesting way. You produced one of the most memorable evenings for us. I personally want to thank you for sharing this knowledge with us. You made a lasting impression on everyone.

Please consider us in your next programme. Thank you for being with us. You are always welcome at our next programme. All the best for your future.

2-Day National Workshop on "NBA Documents Preparation"

Our college is a premiere Institution is established in 2008 by a divine body of committed intelligentsia under the aegis of Sai Dhamam Educational Trust of Visakhapatnam to cater to the needs of young graduates of technology. It is on national highway near to both vizag and vizianagaram having a lush green campus with eco-friendly environment. Its vision is to produce globally competent and quality technocrats with human values for the holistic needs-of industry and society.

Ours is an Autonomous College which is spread to all directions with a strength of over 2600 students and above 200 faculty. College is accredited by NAAC with "A" Grade, NBA with four branches and permanently affiliated by JNTU Kakinada.

Under the guidance of Dr. V.V. Rama Reddy, a model personality having two decades of teaching and administrative experience, Lendi offers ECE, EEE, CSE, MECH, CSSE & CSIT courses. Efficient and experienced faculty members dedicated in teaching, encouraging students to have practical exposure, individual attention etc have made Lendi famous for its teaching traits. Offering counseling to the identified slow learners, student teacher adoption program, allocation of choice based internships to the students during vacation for the practical exposure, supplying Manuals for lucidity in the practical work are the extensive practices which made LENDI a hallmark for quality engineering education.
