Dear Sir,

Sub: APPRECIATION LETTER - Reg.

Thank you very much for delivering an informative & thought provoking 5-Day Awareness Programme on "Preparation of HEI's for NBA Accreditation" from 19<sup>th</sup> to 24<sup>th</sup> April 2020.

It was really a splendid presentation which exposed faculty to the field practices.

All the faculty appreciated and got benefited from your views on the programme.

Looking forward for your cooperation for the promotion of professional education in future as well.

#### About Institute

VIET is affiliated to Jawaharlal Nehru Technological University, Kakinada, Andhra Pradesh. The Institute follows the curriculum as prescribed by the Jawaharlal Nehru Technological University, Kakinada. The academic calendar provided by the University is followed. The academic and other activities are planned for the semester and a calendar of events is prepared by the institute also. At the beginning of the semester the faculty members prepare the lesson plans for their respective subjects. As per the scheduled dates of academic calendar, internal/ end semester examinations for students are conducted in each semester. For the weaker category of students, remedial classes are conducted for different subjects and evaluation of outcome. For the laboratory classes, in addition to the lesson plans, lab manuals are prepared for each subject by the faculty and distributed to the students. Industrial visits are arranged to bridge the gap between theoretical knowledge and Industrial applications.

#### Vision

“The creation and transfer of knowledge should reflect a profound and complete respect for the dignity of all persons and for the greater common good of humanity. At the end, our vision is to give our society and nation a bunch of skilful engineers and to occupy a place amongst the most eminent institutions of the Nation”

#### Mission

- To impart quality education by implementing state-of-the-art teaching-learning methods to enrich the academic competency, credibility and integrity of the students.
- To enhance the institute standing as the institute of choice for students across the country; and to augment the presence of international students to at least ten percent of student body.
- To cultivate a field in which new ideas, research and scholarship flourish leading to emergence of creators, innovators, leaders, and entrepreneurs.
