Dear Madam,

Sub: APPRECIATION LETTER – Seminar Programme - Reg.

We would like to thank you for your awesome contribution to the “Seminar on Higher Educational Institutional Best Practices” from 23rd - 24th June 2020. You had really worked hard and made us proud with this achievement. You have been a great leader and appreciate for your creative work.

With your dedication we are achieving great success and output for our college which has resulted in increasing our faculty and students as well. We would be glad if you contribute more in the future and make us grow.

We also expect you to grow more and get success in your future.

Seminar on “Higher Educational Institutional Best Practices”

from 23rd - 24th June 2020.

ABOUT THE COLLEGE

SaiGanapathi Engineering College (SGEC) was established in the academic year 2013-14 with a vision “To become a premier Engineering College, for over all development of students by means of education, innovation and social responsibility with ethical values”. The institution was recognized by AICTE & affiliated to JNTU Kakinada, Andhra Pradesh. The institution accredited by ISO 9001-2008, and offers B.Tech courses in Civil, EEE, MECH, ECE, CSE and M.Tech courses ECE (Communication engineering & Signal processing), MECH (Advanced Manufacturing Systems) with an approved intake of 300 for B.Tech & 36 for M.Tech. The institution is, with lush greenery & conducive environment for the students & staff to build their carrier as high as possible. The campus is environmental friendly, pollution free & provides pleasant stay with peace of mind.

I would like to congratulate all of you for choosing Engineering as your choice of career. Today the country is in great need of technically sound graduates having a sound aptitude of doing something with zeal, and we at saiganapathi engineering college are committed to impart the best of the Values, Skills and Knowledge to all our students.

Our prime focus is to offer the best of the Technical Education along with the overall development in your personality, so that when you walk out of the Campus, you can be competent enough in carrying out all your personal as well as social responsibilities. We have a great thrust on skill development, aptitude development and development of soft skill in our students.

Apart from having one of the most experienced and highly qualified teaching staff, we are equipped with a highly cooperative and capable support staff to guide you on all the aspects in coming years. We have a great Institutional and Industrial Tie Ups which will be very helpful to you in carrying out your journey from Campus to Corporate. We are equipped with one of the most active and interactive Training & Placement Cell which is responsible in imparting the necessary and needed trainings which can play a crucial role in helping you to kick start your career. We offer 100% Placement Assistance to all our students by way of conducting In-House, Pool as well as Off-Shore Campus Interviews.

As an Institute, we have a great focus on Research & Development and always encourage the students to take an active participation in the development of innovative projects and writing articles in various journals and magazines.
