Creating awareness to the students on hacker earth and hacker rank platforms

The image displays two screenshots of the HackerRank website. The top screenshot shows the 'Solve C | HackerRank' page, listing several C programming problems: 'Hello World!' in C, 'Playing With Characters', 'Sum and Difference of Two Numbers', 'Functions in C', and 'Pointers in C'. Each problem has a 'Solved' status and a green checkmark. The bottom screenshot shows the 'Solve Python | HackerRank' page, listing Python problems: 'Say "Hello, World!" With Python', 'Python If-Else', 'Arithmetic Operators', and 'Python: Division'. These also show 'Solved' status with green checkmarks. Both screenshots include the HackerRank header with navigation links like 'PREPARE', 'CERTIFY', and 'COMPETE', and a user profile for 'pvijayabharati'.
