Functions of Grievance Redressal Cell:

1. The committee should meet once in a month.
2. Receives complaints and grievances from students.
3. The coordinator compiles the complaints received from the students and submit to the committee.
4. Three suggestion boxes are placed in all the three floors and students are supposed to drop their grievances into the boxes.
5. The boxes should be opened in the presence of Principal and I/c. of the Grievance Cell.

Mechanism of Grievance Redressal Cell:

Students and Staff have access to processes that allow for appeals, complaints and grievances that are to be resolved. Student and staff grievance resolution process seeks to facilitate their formal resolution of grievances as close as possible to the source of the aggrieved person's dissatisfaction, though there will be instances when either students may choose to lodge a formal appeal or a grievance needs to go to a higher authority for resolution.

The institute has the following mechanism to analyze the grievances:

1. Suggestion boxes are placed on all corridors in the Institute to lodge the feedback/complaint/suggestion of all stakeholders.
2. The committee should hold a meeting once in a month to address the grievances raised by staff and students.
