

Sl.No.	Name of the teacher	Department of the Teacher
1	Dr. Y. Bhaskar Guptha	Electrical and Electronics Engineering
2	Dr.K.Durga Syam Prasad	Electrical and Electronics Engineering
3	Mrs K.Therissa	Electrical and Electronics Engineering
4	Mrs.P.Renuka	Electrical and Electronics Engineering
5	Mr.B.T.Rama Krishna Rao	Electrical and Electronics Engineering
6	Mr. Y.Sumith	Electrical and Electronics Engineering
7	Ms. V.Krishna	Electrical and Electronics Engineering
8	Mr.K.V.Sri Ram Prasad	Electrical and Electronics Engineering
9	Ms.V.V.Sai Santoshi	Electrical and Electronics Engineering
10	Mr.P.Bharath Kumar	Electrical and Electronics Engineering
11	Ms.S.Kezia	Electrical and Electronics Engineering
12	Mr.V.Avinash	Electrical and Electronics Engineering
13	Mrs.K.Therissa	Electrical and Electronics Engineering
14	Mr.K.Chiranjeevi	Electrical and Electronics Engineering
15	Mr.A.Chandraiah	Electrical and Electronics Engineering
16	Dr.K.Durga Syam Prasad	Electrical and Electronics Engineering
17	Ms.V.V.Sai Santoshi	Electrical and Electronics Engineering
18	Mr.G.Ravi Kumar	Electrical and Electronics Engineering
19	Mr.K.Vamsi	Electrical and Electronics Engineering
20	Mr. V.Avinash	Electrical and Electronics Engineering
21	Mrs.T.Sushma	Electrical and Electronics Engineering

22	Mr.M.Suresh	Electrical and Electronics Engineering
23	Mr. P.V Sarath	Electrical and Electronics Engineering

Title of the paper	Title of the proceedings of the conference	Name of the conference
Performance of DC-DC converter with modified VMC for micro grid.	Proceedings of International Conference on Research,	International Conference on
Minimization of road accidents by using GSM module based smart helmet	Proceedings of International Conference on Research,	International Conference on
Suppression of inrush currents using a series connected voltage source PWM	Proceedings of International Conference on Research,	International Conference on
AVR microcontroller based power factor controlling to minimize electricity bill	Proceedings of International Conference on Research,	International Conference on
Performance comparison of conventional controller for speed control of DC- motor	Proceedings of International Conference on Research,	International Conference on
Performance of the MC-UPQC and adaptive control algorithm for power	Proceedings of International Conference on Research,	International Conference on
STATCOM based harmonic reduction in transmission lines	Proceedings of International Conference on Research,	International Conference on
Maintaining power quality for sensitive load	Proceedings of International Conference on Research,	International Conference on
Grid tied wind energy conversion system (WECS) Simulink implementation using	Proceedings of International Conference on Research,	International Conference on
84 pulse based STATCOM with VSC configuration for special applications	Proceedings of International Conference on Research,	International Conference on
Simulation of robust control scheme based SMC and its application to dynamic	Proceedings of International Conference on Research,	International Conference on
Optimal switching -pulses to the motor inverter for torque control of induction	Proceedings of International Conference on Research,	International Conference on
Air quality monitoring system by measuring particles in the air	Proceedings of 3rd International Conference on	International Conference on
Simulation implementation for 5- level cascaded h-bridge multi-level inverter for	Proceedings of 3rd International Conference on	International Conference on
Performance comparison of speed control strategies of brushless DC (BLDC) motor	Proceedings of 3rd International Conference on	International Conference on
Unified power quality controller system based on multi converter for harmonic	Proceedings of 3rd International Conference on	International Conference on
Simulation of maximum constant boost-control with third harmonic injection	Proceedings of 3rd International Conference on	International Conference on
Particle swarm optimization (PSO) based technique for the optimal allocation of	Proceedings of 3rd International Conference on	International Conference on
Comparative study between incremental conductance algorithm and perturb and	Proceedings of 3rd International Conference on	International Conference on
Implementation of DTC based speed drive governing system for induction motor	Proceedings of 3rd International Conference on	International Conference on
Stability analysis for solar energy applications based on TLBB converter	Proceedings of 3rd International Conference on	International Conference on

Matlab/simulink implementation for non-isolated boost DC-DC converter	Proceedings of 3rd International Conference on	International Conference on
Implementation of Arduino based water level monitoring system	Proceedings of 3rd International Conference on	International Conference on

International	2018-19	978-81-949297-5-8	Vignan's Institute of
