Poetry

Love thy self oh lady!
Shower that love upon you
Waste not on the worthless,
make yourself worthier.
Trembling with fear of loneliness
you've fought a war...
Where you wounded yourself
with the
most painful scars,
look back oh lady!
Heal up in peace!
For we have no war coming up
to fight with thee.

HUMOR

"I've prepared this PowerPoint presentation to explain why I didn't have time to practice this week."

LIFE IS so much EASIER with a sense of Humor.

Bulletin

THE SMART GRID

Smart grids involve incorporating sensors and other smart tech into electrical system infrastructure, increasing energy usage information and control. Looking ahead, electrical engineers will more frequently encounter smart grids and be asked to help develop a smarter grid.

Eureka

When lightning strikes,
it can reach upto
30000 degree Celsius

QUIZOMANIA

- Which of the following motors is used in ceiling fan?
- Number of parallel path in wave winding is:
- CT is used for measuring
- The power factor of pure resistive circuit is
- Unit of reluctance :

Answers
1) Induction Motor 2) 2
3) Alternating current 4) Unity
5) Ampere Turns / Web

Doctor is a Latin word which means Teacher

Vol. 5

Issue 4

Oct. - Dec. 2019

VISION

To be a center of excellence for producing proficient and socially responsible women electrical engineers for industry outreach through quality education and research

MISSION

M1: To empower the students with skills in current trends through effective teaching- learning process for professional growth. M2: To foster an eco-system for higher education and research in Electrical Engineering through constant industry interaction. M3: To facilitate practical expertise in enterprise development and energy environment by promoting innovation and social consciousness.

PROGRAM EDUCATIONAL OBJECTIVES (PEOS)

Graduates will be able to
PEO1: Possess strong educational foundation in Electrical Engineering for making successful careers in core and allied industry.
PEO2: Develop solutions for realistic problems in the society through innovation and lifelong learning.
PEO3: Exhibit communication skills, leadership qualities, social and environmental responsibility, ethical values in successful career.

Message by Academic Director:

I am very happy that the college is progressing in all dimensions by registering spectacular academic performance. On the other hand students are exhibiting their skills in extra-curricular activities. Bests wishes to the News Letter team.

Prof. A. Seshu Rao

From the Principal's Desk:

Hello Students! I am extremely happy with the excellent performance of students in various academics, sports and cultural activities and looking forward to the same in future. These vibrations are reflected in this news letter. Congratulations. !

Dr. J. Sudhakar, Principal

Thoughts from the Head of the Department :

Dear Students, I congratulate you all on the performance in the recently announced semester results. We successfully conducted an important event, the DAEEE association with great fervor.

Dr. K. Durga Syam Prasad, HoD. EEE

ELECSPIRE 2K19

DAEEE in association with IEI EE Chapter organized a grand technical event, "ELECSPIRE 2K19" on 17th & 18th December 2019. The event commenced with a solemn inaugural event graced by dignitaries. The two day event comprised of Guest Lectures, Live model expo, Poster Presentation, Paper Presentation, Brain Pop and many more. On the valedictory day Campus drive selected students, GATE winners, University toppers and best performers of academic and extra-curricular activities were felicitated with certificates and medals.

Mr. Venkata Ratnam M, BARC Facilities and Dr U Salma, Prof GITAM University were the Guests of Honor. The guests stressed on the need to shore up self defence for women and improvement of technical capabilities.

Prof Sastry V Vedula, Retired Professor, IIT Madras and Sri N.P Manoj Kumar, Dy General Manager, RINL Steel Plant were the Guests of Honor. They encouraged the students to go innovation in their ideas to address the needs of the nation.

Faculty Workshops and FDPs

Dr. K. Kusal Kumar, Assoc. Prof. EEE, attended CMOS Integrated Circuits For Instrumentation IOT Application, NIT WARANGAL, MHRD from 29th October - 3rd November 2019.

Dr.Akanksha Mishra, Assoc Prof. attended workshop on ' Quality Enhancement Assessment and Accreditation of Engineering Colleges' at JNTUK, Kakinada on 11.11.2019.

Faculty members attended Workshop on Women Empowerment conducted on 26th November 2019.

Workshops for 3rd& 2nd Year B.Tech Students

4th & 5th December 2019

Title : Smart Grid Automation
Resource Person : Mr. Mr. Suyog Sawardekar, Research & Development Trainer at Robosol
Topics Covered : Smart Grid Automation, Program writing and testing
Students : 73

6th & 7th December 2019

Title : IoT with Cloud Robotics
Resource Person : Mr. Suyog Sawardekar, Research & Development Trainer at Robosol
Topics Covered : Innovations in cloud connected robotics, Smart Robots
Students : 61

ELECSPIRE 2K19 PHOTO GALLERY

DAEEE in association with IEI EE Student Chapter organized ELECSPIRE 2K19.

This Association aims at enhancing the technical knowledge of students by conducting various programs. It also helps to create the ability to understand and effectively communicate and nurture entrepreneurship and leadership qualities to enhance their roles in providing service to the society. Students presented live models and posters. They gave a detailed explanation of their work to the guests, faculty and students. Mementos for placed students were presented. Cash award given to ETI A T Roshini Krishna Sree and V.H Sri Harshini for NPTEL Certification.
