To,

The Principal
Vignan's Institute of Engineering for Women,
Kapu Jaggarajupeta, Vadlapudi Post, Gajuwaka,
Visakhapatnam-530046, Andhra Pradesh

Subject: Accreditation status of programs applied by Vignan's Institute of Engineering for Women, Kapu Jaggarajupeta, Vadlapudi Post, Gajuwaka, Visakhapatnam-530046, Andhra Pradesh.

Sir,

This has reference to your application I.D. No. 4885-05/08/2020 seeking accreditation by National Board of Accreditation to UG Engineering programs (Tier II) offered by Vignan's Institute of Engineering for Women, Kapu Jaggarajupeta, Vadlapudi Post, Gajuwaka, Visakhapatnam-530046, Andhra Pradesh.

2. An Expert Team conducted online evaluation of the programs from 26th-28th November, 2021. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

SL. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Electronics & Communication Engineering	Tier-II June, 2015 Document	Accredited	Academic Years 2021-2022 to 2023-2024 i.e. Up to 30-06-2024	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Electrical & Electronics Engineering		Accredited		
3.	Computer Science & Engineering		Accredited		
4.	Information Technology		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for 3 years. Vignan's Institute of Engineering for Women, Kapu Jaggarajupeta, Vadlapudi Post, Gajuwaka, Visakhapatnam-530046, Andhra Pradesh should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Vignan's Institute of Engineering for Women, Kapu Jaggarajupeta, Vadlapudi Post, Gajuwaka, Visakhapatnam-530046, Andhra Pradesh as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Website: http://www.nbaind.org |Email:membersecretary@nbaind.org

6.   The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the institute.

7.   The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8.   A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs are enclosed.

9.   If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary

Mechanism of Grievance Redressal Cell

The Institution has set up the following cells to address any grievance received from students and staff and recommends appropriate action to the authorities.

(i) Grievance and Redressal Cell (GRC)
(ii) Anti Ragging Cell (ARC)
(iii) Women Grievance & Anti-Sexual Harassment Cell

(i) Grievances Redressal Cell (GRC)

As per All India Council for Technical Education Establishment of Mechanism for Grievance Redressal Regulations, 2012, F. No. 37-3/Legal/2012, dated 25.05.2012. Vignan's Institute of Engineering for Women is committed to providing a harmonious & fair learning environment. Students and Staff have access to processes that allow for appeals, complaints and grievances that are to be resolved. Student and staff grievance resolution process seeks to facilitate their formal resolution of grievances as close as possible to the source of the aggrieved person's dissatisfaction, though there will be instances when either students may choose to lodge a formal appeal or a grievance needs to go to a higher authority for resolution.

The institute has the following mechanism to analyze the grievances.

1.Suggestion boxes are placed on all corridors in the Institute to lodge the feedback/complaint/suggestion of all stakeholders.

2. The committee should meet once in a month to investigate the complaints raised by students and staff, if any.

3. The duty of Grievance Redressal Cell is to provide a fair representation for all the concerned parties.

3. During the course of the investigation, the investigator will maintain careful notes of interviews with the aggrieved member and relevant witnesses.

4. In addition to the written statements and testimony of the student and the faculty member, the committee may collect and consider any information it deems relevant and hear from anyone it deems to have relevant information. Both the student and faculty member may suggest the names of persons with relevant information, but the committee makes the final decision about whom to interview.

5. The proceedings and the committee's deliberations will be confidential and not to be open to the public.

6. After investigation upon grievances received, the committee members prepare a report and forwarded to Principal for further action.

7. Thereafter, the principal on reviewing and understanding the level of the problem forwards the same to the management committee for necessary action.

Placement Facilities:

Globalization has brought in a clear shift from education as transmission of expert knowledge to education as building learner competencies. Keeping in pace, *Vignan's Institute of Engineering for Women* (VIEW) too have set their priorities as being a prime aide in employment generation for their students.

Pre-placement training at institute was developed to enhance the student's skills such as communication skills, soft skills, personality development skills and technical skills through outcome based education. A coordinating team with faculty representatives from each department was constituted to execute the process at the micro-level. The Coordinating Team was earmarked to report to the Campus T&P cell in-charge and maintain a close liaison with the students on the other hand.

The campus T&P team had refurbished the complete training process making a few vital changes with three distinct components Aptitude, Technical and Verbal training & Soft Skills training.

The recommendations or the suggestions given by the employers and program coordinator will be taken in to the consideration while designing the Pre-Placement Training Calendar and it will be circulated among all the departments for circulations.

Implementation of Pre-Placement Training:
[

Post designing the Pre-Placement Training Calendar, a defined procedure will be implemented for executing the Pre-Placement Training.

- From 2nd year onwards two non-credit courses to be implemented such as:
    1. Aptitude Training – Through Reference globe LMS (Life Time Access)
    2. Technical Training (Core & Programming Skills) – Through Reference globe & HackerRank
- Before IV B.Tech, undertaking forms will be issued to all the students for their consent towards training.
- Students reporting those who are not willing will be forwarded to Careers Guidance Cell through TPO.
- Students who accepted the undertaking, training will be processed through the following modules;
1. Campus Recruitment Training (Eligibility: above 60% aggregate in academics / special cases recommended by program coordinator through principal if any)
   i. Product Development Training.
   ii. Application Oriented Training.
2. Company Specific Training (as per the eligibility & JD)
3. Professional Internships (Through Campus hiring / Internshala)
4. Specialized Training (If any concerns from Principal/Careers Guidance Cell/Program Coordinator)

A special target based strategy was further introduced for the T & P team to ensure a steady inflow of opportunities for all the years round for all the branches; as a result

there was a 42.17 percent increase from 2017-18 to 2020-21 in the number of jobs offered **in the Core Profile jobs**.

The placement seasons for MBA 2021 too saw a diverse mix of companies spread across various domains and functions, offering niche roles to them, recording an all-time high placement.

X. ADMISSION PROCEDURE

The admissions to the institute are made as per rules/regulations framed by the Andhra Pradesh Government/AICTE. The AP Government test agency is Department of Technical Education, Competitive Examination Conducted named as EAMCET. The website address is **http://apeamcet.nic.in**

Number of seats allotted to different Test Qualified candidates separately [AIEEE/CET (State conducted test/University tests)/Association conducted test]

The seats are allotted as per the quota and norms set by JNTU Kakinada, to which VIEW is affiliated.

Calendar for admission against management/vacant seats:

- Last date for request for applications.
- Last date for submission of application.
- Dates for announcing final results.
- Release of admission list (main list and waiting list should be announced   on the same day)
- Date for acceptance by the candidate (time given should in no case be less than 15 days)
- Last date for closing of admission.
- Starting of the Academic session.
- The waiting list should be activated only on the expiry of date of main list.
- The policy of refund of the fee, in case of withdrawal, should be clearly notified.

Management decides on dates for management quota admissions after JNTU announcement. Accordingly, the society gives a paper advertisement. Against the paper advertisement on the scheduled dates candidates are interviewed and admission seats are allotted under management quota.

XI. CRETERIA AND WEIGHTAGES FOR ADMISSION

Eligibility Criteria for Admission to B.Tech Courses :

The minimum qualification for admission to first year of the B.Tech course is a pass in the Intermediate (10 + 2) conducted by the board of Intermediate education, Govt. of Andhra Pradesh with Mathematics, Physics and Chemistry as optional subjects.

- 70 % of the seats are allotted based on the merit in the Engineering, Agriculture and Pharmacy Common Entrance Test (EAPCET) conducted by Govt. of Andhra Pradesh.
- 30 % of the seats are earmarked for Management Quota candidates.
- In addition to the above, Diploma holders are admitted in second year of B.Tech to the extent of 10% of intake based on the merit in the Engineering Common Entrance Test (ECET), under lateral entry scheme conducted by Govt. of Andhra Pradesh.

The Eligibility Criteria for Admission to M.Tech Courses:

The minimum qualification for admission into M.Tech is a pass in B.E / B.Tech in concern stream.

- 70% of the seats are allotted based on GATE score / rank obtained in PGECET for M.Tech Course.
- 30 % of the seats are earmarked for Management Quota candidates.

The Eligibility Criteria for Admission to MBA Course:

The minimum qualification for admission to first year of the MBA is a pass in undergraduate course (10 + 2 + 3).

- 70% of the seats are allotted based on the merit in the Integrated Common Entrance Test (ICET) conducted by Govt. of Andhra Pradesh.
- 30% of the seats are earmarked for Management Quota candidates.

XII. INFORMATION ON INFRASTRUCTURE AND OTHER RESOURCES AVAILABLE

A. Library Facility

The central Library is a proud partner in the Institute's march towards its vision playing a vital role in acquisition, organization and dissemination of knowledge. The main thrust of the library continues to be the improvement of the quality of services and facilities, achieving higher degree of user's satisfaction and modernization of its activities and operations. The Central Library is totally Air Conditioned, presently covers a total user area of 571.91 sq. mtrs, with a seating capacity of 175 and caters to the information needs of the faculty, staff and students. The Central Library has Text book section, Circulation section, Reference books, Periodical Section with rich collection of Journals and books. The separate departmental libraries are establishment in each department for quick access purpose in addition to the central library.

Library Collection:

The Vignana Vahini Library has a huge collection of 28419 books with 5940 titles on various subjects including technical, managerial and humanities and reference books covering biographies, dictionaries, yearbooks etc. The library subscribes 116 National, International print journals and Magazines, 5230 e-journals, and holds over 1018 project reports. The Learning materials, Previous Question Papers, Project Reports of all departments are made available

Library e-Resources:

The Digital Library has 20 computers and several E- Resource of e-journals, e-books, video lectures (like NPTEL), audio lectures of various publisher are made available in the Digital Library for effective teaching learning process.

Library Automation and Security:

The Central Library employs Barcode technology for access control, automatic issue and return of library books. Automation of library services enables library staff to assist the students for more time in their search for quality learning resources.

Relevance and availability of learning resources:

The procurement of the books is decided based on the library advisory committee which consists of all the departments. Selected students from III and IV year of Engineering are also members of the library advisory committee. This committee recommends the titles and authors which are relevant for the courses, and of latest publications. The committee also recommends on the procurement of e-books and e-journals. We implement all the recommendations of the advisory committee.

The following table gives the number of titles and volumes available in central library.

Accessibility to Students:
1. The Library is open for all users from 7.30 am to 5.30 pm. The library hours are extended on the basis of need during examinations.
2. Regular class time tables of all programs allot one period a week for library study.
3. The students utilize the library study period. In addition, many students spend many more hours in the library studying on their own.
4. The use of library by students is generally more during examination period.
5. Digital Library is also available to the students with free internet Access.
6. The library provides IP enabled access to a large number of full texts online journal databases from the various publishers.
7. In the library the staff helps the students to register National Digital Library for self learning. The staff also helps the students to register with NDL.

Support to students for self learning activities
1. A digital library is setup to facilitate online access of the information.
2. The search and download functions are free of cost for all the users.
3. Students can access digital resources through the systems and download the required books / publications.
4. NPTEL (National Project on Technology Enhanced Learning): Access to online learning material prepared by IIT and other esteemed institutions are hosted on institution server.
5. Institute is registered as member of National Digital Library (NDL) & DELNET
6. Each student is given 3 library cards using which he/she can lend 3 books for 15 days.
7. The borrowed books can be renewed before the due date

D) Games and Sports Facilities:

VIEW encourage its students to take part in the sports activities. Students are trained under the guidance of qualified Physiacal Education Trainer & have achieved excellence in University and National level in sports activities. Besides emphasizing on technical and academic excellence, the institute organizes various sports meets to give the students an opportunity to exhibit their athletic abilities on ground. It has created number of facilities for sports activity both in indoor & outdoor games

OUTDOOR: Outdoor courts has capability of accommodating
- THROWBALL

E) Hostel Facility

The College has campus attached spacious hostel which provides pleasant stay at affordable fee. It is Managed by our college management on no loss no gain principle. We serve Delicious and Nutritious food under the best hygienic conditions and in a spacious Dining Hall. The menu is decided by the students' committee. The menu changes every week as per their interests. Rooms are Well ventilate & spacious with executive study table, lockable cupboards for each student and attached toilets. The hostel is enabled with Digital library facility till late nights. It also has Wi-Fi facility and Internet connectivity. The hostel inmates have Exclusive computer Lab

facility, Common room with a facility of indoor games and Cricket Ground, Volleyball Ground for outdoor games. They also have Activity room for recreation and talent exhibition. Like Literary, Art, Technical club facilities. Drinking water is Mineral water with water coolers. Students have Hot water facility with Solar system. We endow with 24 hrs health care centre with basic first aid facility and emergency vehicle. Students are monitored by Separate wardens for both boys and girls. We engage Special classes for slow learners with the help of residential faculty. Students are members in various clubs to monitor the well-functioning of the hostel. Hostel day celebrations: Our students celebrate hostel day every year on 28th December amidst of joyful events and colourful ambience.
