REPORT ON ALUMNI MEET – 15TH OCT 2022

Vignan's Institute of Engineering for Women, had organized "Alumni Reunion" on 15th Oct 2022 in the event of "TECHRITZ-2K22". Dr.Ch.Ramesh Babu, Secretary, Alumni Association VIEW had coordinated the event for the students of relieved batches 2019, 2020 and 2021 of the college. Our past alumni who got selected in Accenture, Infosys etc had a interactive session with the faculty and upcoming graduate engineers of 2019-23 batch about the present scenario in the companies. They expressed happiness at seeing the success of students placing in various MNC's once again in the campus. They had given suggestion about various technical skills to be developed other than curriculum for the upcoming students in the college.
