Academic Director Message:

It has been a privilege to wish the Department of IT a grand success in bringing out this newsletter. A newsletter shall showcase the inner strength and potential to the outside world. I wish the editorial team is working towards that direction.

Prof. A. SeshaRao

Principal's Message:

It gives me great pleasure to give my best wishes to *ViewIT*, a newsletter from the Department of Information Technology of Vignan's Institute of Engineering for Women, Visakhapatnam. The students and faculty are always proactive in taking initiatives in technical, cultural, and social events. I hope that this newsletter will serve the purpose of reflecting all activities of the department and it will inspire others to do their best!!!

Dr. J. Sudhakar

HoD's Message:

Information Technology is a versatile branch of engineering. The students from this field can work in various fields like design, development, implementation, and management of computer-based information systems – particularly software applications and computer hardware.

Department has well qualified and dedicated faculty with well-developed laboratories. The students are provided the opportunity to participate in various technical and non-technical events. This newsletter is an attempt to highlight the achievements of the department.

I wish good luck to the entire team of editors and look forward to your kind patronage of our newsletter.

Mr. Hari Jyothula
