Academic Director Message:

I am very happy that this newsletter brought about news about the research activities of the faculty and academic & extra-curricular achievements of the students in pleasant manner. Congratulations!

Prof. A. Sesa Rao

Principal's Message:

It gives me great pleasure to know that "VIEWIT" Department quarterly news letter is ready for publications. True to its name, this newsletter gives an insight into the range and scope of the imagination and creativity of our students and faculty members. I applaud the editorial team for the hard work and dedication they have invested in realizing this goal and wish my dear students success in all future endeavours.

Dr. J. Sudhakar

HoD's Message:

VIEWIT provides an interaction of great challenge and great opportunity for the students to review their efforts and to analyze their achievements in research and development. I congratulate the teams of students and the faculty for their tireless efforts that have come to fruition in the form of this news letter. I wish it all success and hope that this tradition that been set will be carried through by the upcoming generations of students to come.

Dr. B. Prakash

a. The department organized a three day workshop on “Internet of Things” in collaboration with Brain-o-Vision from 28th – 30th August, 2018.

I. Extra Curricular Activities
a. Teachers Day

In India, 5th September is celebrated as “Teachers Day” as a mark of tribute to the contribution made by the teachers to the society. 5th September is the birth anniversary of a great teacher “Dr. Sarvepalli Radhakrishnan”, who was a staunch believer of education and was a well known diplomat, scholar, the President of India and above all, a teacher. On this occasion the students of II, III and IV year of IT department organized the event on the eve of Dr. Sarvepalli Radhakrishnan’s birthday i.e. Teachers Day
