About the Institute

Vignan's Institute of Engineering For Women, established in the year 2008, has been in the forefront of technical education services especially for women engineering aspirants. It is offering Graduate and Post Graduate courses in Engineering in the streams of EEE, ECE, IT, CSE & ME. MBA is too offered. Over the years the institution has registered impressive growth rate in academics and R&D. Since the beginning the students of the college have made it a regular habit to top the performance charts of JNTUK examinations. Through several extension activities the institution is reaching out to the society nearby. The institution is having sophisticated laboratories, well ventilated class rooms, play grounds and hygienically maintained canteen facilities. Located in a lush green ambience the campus offers serene environment for studies

Vision

To be a leading institution of women empowerment producing internationally accepted professionals with psychological strength, emotional balance and ethical values.

Mission

- M1** : To empower women engineers through innovative teaching-learning practices.
- M2** : To encourage for higher education and research with well-equipped laboratories.
- M3** : To promote entrepreneurship through creativity and innovation.
- M4** : To promote environmental sustainability and inculcate ethical, emotional and social consciousness.

About the Department

The Department of Basic Sciences & Humanities, established in the year 2008, has been the backbone of the engineering college by offering courses in Mathematics, Physics, Chemistry, Statistics, English and Environmental Science to the first year as well as second year students depending curriculum generated by the affiliating University. Apart from delivering the curricular content, the Department takes active role in imparting the necessary life skills and technical skills required for a budding engineer by including some short term courses as well. This will expand the scope and horizon of the young students. The department boasts of well qualified and experienced faculty and efficient infrastructure. The students in the first year have topped the University exams consecutively. Students regularly participate in the social service activities and co-curricular activities.

About the Course

Gender shaped women's work outside the home in the late 19th century and how gender influenced the shape of the labor force. We will explore simultaneous efforts to affirm domesticity and provide women with paths to independence during the era.

Objectives

- The lives of women in the different industry at the turn of the 20th century, and their involvement in unions, consumer's leagues, and coalitions, take center stage as we work to understand how women made efforts to improve the lives of industrial workers.

Outcomes

- What the generational and racial tensions were around strategies and arguments for women's suffrage
- How feminism arose as a word, concept and movement
