He used to conduct so many radio programs for children. At the same time he used to visit schools and colleges for making the children spiritually enlighten right from childhood. He strongly believes that whatever seed is implanted the same thing will be resulted as a plant and a tree giving sweet fruits and colorful flowers for the future generations. All these things are possible only by transforming of knowledge and making the children to lead a ethical life with values and morals.

Gist of the Guest Lecture:

A One day Guest Lecture on “Plant Seeds of Faith -A learning from Ramayana” has been organized by the Department of MBA, Vignans Institute of Engineering for Women, Visakhapatnam on **11-06-2021**. Mr. Vemuri Laxmi Narayana Sarma, has discussed that Ramayana teaches that a devotee has access to God wherever he/she is. Visiting places of worship is not practical or desirable during the pandemic. However, like shabari whose devotion brings lord Rama right to her doorstep, you do not need a temple to worship-all you need is a clear heart and faith. Improving on a 93-year-old tradition, Mumbai’s Lalbaugcha Raja Ganeshotsav Mandal has decided to hold a blood and plasma donation camp to help COVID-19 patients instead of raising the traditional

donation camp to help COVID-19 patients instead of raising the traditional pandal for a grand Ganesh idol. With Mumbai's increasing number of coronavirus cases in mind, that is a move that says that the way to please God is to extend help to your fellowmen.
