Sub: Proposal for **Setting up of Texas Instruments Teaching Lab**

Ref: Our discussions

Respected Professor,

Greetings from **STEPS Knowledge Services Pvt Ltd**

STEPS Knowledge services Pvt Ltd is authorized training partner for **Texas Instruments University Program**. Under the University program we offer our services to establish the teaching lab using Texas Instruments Technology and we provide the training to your faculty and students on these platform. Our Training program is designed by giving more importance on the practical experiments which will facilitate the students to have the hands on experience.

We take reference to the discussions we had and we are pleased to offer our services to setup Texas Instruments Teaching lab in your college with an objective to provide the experiential learning to the students. We have proposed on the following domain which can be used by CSE, ECE, EEE, BME, & IT Students.

- Analog and Digital System Lab
- Power Management Lab
- Microcontroller LAB using MSP430 16bit μ C
- Real Time controller LAB using C2000 32bit μ C
- Advanced Embedded System LAB using ARM Cortex M4
- IoT Application Lab
- Robotics System Lab

We have given below the proposal for your kind perusal.

Terms & Conditions:

Sponsorship is based on the following

1. Your Students should take Drishti Contest as per the below schedule
 - a. Option 1: 1000 Students before 25th June 2019 as 1st test and 1000 students between July 2019 to Sep 2019 as 2nd test (it can be same students or new students)
 - b. Option 2: 2000 Students before 25th June 2019 as 1st test and 2000 students between July 2019 to Sep 2019 as 2nd test (it can be same students or new students)
2. Students should take subjects starting with STEPS – XXXX, Other subjects will not be considered.
3. Students are free to choose any of the subject and no restriction on # of subjects however if students are taking more than one subject we will count as one as the count is based on unique mail ID.
4. Students need to attend minimum 80% of the questions, marks scored is not a criteria for this sponsorship.
5. Sponsored lab details:
 - a. As soon as college finishes the 1st contest by 25th June we will process the lab and deliver to college
 - b. For Option 1 college can avail IoT Application Lab as sponsored lab and for option 2 along with IoT Application Lab College can choose any one of the lab listed on the lab details of their choice.
 - c. College will also get 2 / 4 days free students' workshop with 60 participants / workshop.
 - d. Based on college requirement MOU can be signed for establishing the Teaching Lab.

We look forward to receive your confirmation at the earliest.

Thanking you and assuring our best attention always

Yours truly,

For STEPS Knowledge Services Pvt LTD
