Program Report on "Stationary donation program" conducted on 25th August, 2018 at Manadala Parishat School, Narava

Education is every child's birth right. Unfortunately, there are too many kids who go to school but do not get basic stationary such as notebooks, pencils, erasers, pens, color boxes, school bags etc. There are times when the kids do not even have text books even though they wish to study and appear for exams. Plastic pollution is a problem that the whole world is facing together. Plastic waste does not degrade at a sustainable rate. We are finding micro plastic pieces in our waterways, the food we eat, and the water we drink. Collectively, we need to take action and say no to plastic.

In this regard, an awareness rally is organized by the NSS unit of Vignan's Institute of Engineering for Women, Visakhapatnam on 13th June, 2018. Totally 54 students have participated in the rally. NSS volunteers and students have prepared placards on the importance of biodegradable bags and exhibited in the rally among the Sheelanagar Village, Visakhapatnam by rising slogans. Finally, they distributed cloth bags to the villagers and requested them to use the distributed cloth bags instead of non-biodegradable plastic bags.

Prof. A. Sessa Rao, Academic director, Dr. J. Sudhakar, Principal and various departmental HODs had commenced the program and Dr. K P Suhasini, NSS PO and few faculty members have organized the rally.
