## Program Report on Awareness on “Civils as a Career Guidance” held on 20<sup>th</sup> April, 2022

An awareness program is conducted on ‘Civil services as a career’ at Vignan’s institute of Engineering for women on 20th April, 2022 in Seminar Hall. In this program, Sosin Classes Institute’s Chief Executive Director Ms.K. Mythraye and Head Incharge B. Ramesh Chandra interacted with the students and explained about the importance of civil services in service of public. They distributed the course syllabus copies and cracking tips booklet to the student participants.

A proper guidance is what is required in this modern day scenario for any individual’s success. The main motive of this event was the same, to take the students interest of going abroad and also taking up higher studies in foreign universities. Prof. A. Sessa Rao, Academic director, Dr. J. Sudhakar, Principal, Dr. K P Suhasini, NSS PO and various departmental HODs and faculty members have accompanied the event

**Program Report on “Healthy versus Unhealthy” conducted on 07<sup>th</sup> April, 2022 at Vadlapudi Village.**

In “Healthy versus and unhealthy” it is necessary to make individuals aware that health is wealth. We need to recognize that well being is an important component of our lives. Keeping yourself fit and safe is important, with so many diseases prevailing in the world. It will spread awareness by imparting information about health and fitness to the public and world health day is instrumental in raising people’s consciousness. Health is very critical in today's rising world. We need to make this day a moment for the need for a healthier life to be understood. We neglect the importance of health care in our emphasis on work, eating, and sleep. We also ignore it to the degree that we only remember it when health worsens or illness occurs. We need to realize that our true wealth is well-being first-person Healthy Versus Unhealthy awareness program gives awareness that eating healthy is just as important to mental health as it is to physical health. It gives support and inspiration from those living a balanced and healthy lifestyle. Healthy habits can reduce the risk of various diseases. Basic healthy habits are connected with living a longer life. Also journey toward a healthier lifestyle starts with small changes that one can feel confident to achieve anything.

## Program Report on "Awareness Rally on "Prevention of Cancer" held on 04th Feb, 2022, at SheelaNagar, Visakhapatnam.

On the occasion of 'World Cancer Day', to conducted an Awareness Rally on "Prevention of Cancer" held on 04th Feb, 2022, at Sheelanagar, Visakhapatnam with the caption "fight cancer with hope". In this program, students have explained the importance of health and avoid the risk factors of cancer. They advised people some cancer risk factors, such as genetics and environment, are out of your control, but research suggest that about 70% of your lifetime risk of cancer is within your power to change, including your diet. Avoiding cigarettes, limiting alcohol, reaching a healthy weight, and getting regular exercise are all great steps for preventing cancer. Adopting a healthy diet can also play a vital role.

## Program Report on "Awareness Rally on "Save Innocent Lives" on the occasion of World Vegan Day" conducted at Jaggayyapalem on 1<sup>st</sup> November 2021

An Awareness Rally on "Save Innocent Lives" on the occasion of World Vegan Day" is held 1<sup>st</sup> november, 2022 at jaggayyapalem to create awareness on occasion of vegan day. In this program, students have explained the college students about veganism are the practice of staying away from the use of animal products and extending the philosophy to banning of the commoditization of animals. There are various types of vegans. Dietary vegans are the ones who are extremely strict about not consuming any kind of animal products, be it meat, eggs, dairy products and other products from animals. An ethical vegan is the one who not only follows veganism in his diet but also in other aspects of life. Environmental vegans are people who avoid animal products on the premise of industrial farming of animals which is environmentally damaging.

## Report on "Blood Donation Camp" held on 14<sup>th</sup> June, 2021

"World Blood Donor Day" takes place on 14<sup>th</sup> June each year. The aim is to raise global awareness of the need for safe blood and blood products for transfusion and of the critical contribution voluntary, unpaid blood donors make to national health systems.

Hence, on the occasion of World Blood Donors' day, a **Blood Donation Camp** is organized by the NSS unit of Vignan's Institute of Engineering for Women, Visakhapatnam on 14<sup>th</sup> June, 2021 in our college campus, with the association of a NGO "Sanjeevani Voluntary Blood Bank, Gajuwaka, Visakhapatnam. The staff of the blood bank conducted the preliminary tests like weight, BP, Insulin and hemoglobin percentage tests to the willing students and staff to identify the suitable donors. Totally 30 units of blood is collected from the staff and students. The blood bank offered a shield of appreciation on blood donation camp to the college management and individual appreciation certificates, key chains to each and every donor along with some energy boosters. Academic director Prof. A. Sesha Rao, college principal Dr. J. Sudhakar, NSS PO Dr. K P Suhasini, various dept. HODs and the faculty members have accompanied the event.
