Industrial visit

01.08.2018 & 02.08.2018

An Industrial visit was organized by the Department of Electronics and Communication Engineering for the II year I semester students to Doppler Weather Radar Station on 01.08.2018 & 02.08.2018. The objective is to provide technical exposure to the students about Radar Station. Mr. B.Sashikanth, Assistant Professor Coordinated the visit. It was a thrilling experience to the budding engineers of ECE to see the Doppler weather Radar Station exploration.

From the Principal's Desk:

I am happy to see the arrival of the 3rd issue of the news letter of this year bringing all the trends of the progress happening in the campus. We are striving constantly to update human resources and upgrade the amenities. It has been continuous and constant. All the best to the team!

Dr. J.Sudhakar

Message by Academic Director:

Best wishes to the editorial team! It has been a fine moment to welcome the new issue of the newsletter into the portals of the campus with its bright and colorful campus tunes. These creative efforts shall not cease and shall move forward!
