ALWAYS CHOOSE A TOP RANKED INSTITUTIONS!

To be part of this prestigious institutions : www.view.edu.in

Many faces loomed large in my mind's eye when I graduated from Vignans Institute of Engineering for Women, with a Computer Science and Engineering degree and a great job offer from **amazon** with **44 LPA**. The ever-encouraging faculty that keeps up with evolving technologies, the placement department that works tirelessly to provide students with the greatest possible experiences, and many more things that simple words cannot explain. **S.R.N.HIMA VARSHA** CSE - 19NM1A05E6, AWS, 2019-23 Batch

My journey at this prestigious college began with high hopes. I majored in Computer Science and Engineering in the hopes of leading a life in the ever-changing technological world. I want to become an Engineer who could make a significant contribution to society, which was made possible with the help of the VIEW faculty. This institute assisted me in self-reflection and self-awareness by revealing my untapped talents, offered a platform for me to expose my hidden talents. I am happy for the placement in **amazon** with a package of **22 LPA**.
P. BANDHAVI CSE - 19NM1A05D3, AWS, 2019-23 Batch

The most enthralling adventure of my life has been Vignans Institute of Engineering for Women. It's been a place where I've been able to hone my engineering talents and advance in leaps and bounds. VIEW has provided me with the encouragement and confidence I needed to advance both personally and professionally. The college campus is one of the most attractive in the area, with plenty of greenery and a variety of amenities ranging from a well-stocked library to well-equipped laboratories. The placement care ongoing support has given me the confidence to succeed in my placement with a package of **18 LPA** at **amazon**.
K. MADHAVI CSE - 15NM1A0559 AWS 2015-19 Batch

I whole heartedly express my gratitude for VIEW faculty as well as the Training & Placement Department for their extensive focus and care for the academics as well as trainings. In the first few months, the Institutes began preparing us for placements through various Skill Enhancement Programs. Because of the practice exams and interviews conducted by the trainers and our faculty members, I was absolutely confident and aced the aptitude, Group Discussion, and Interview rounds and placed for **amazon** with **19 LPA**.
